aww i can hear you

The love of my life!

The love of my life!

Hello son of mine that can't seem to return a text message or even call me....how are you and how was your Thanksgiving? According to Alex's wall post, yall had a good time. That's good.....

anyways,

I want to be able to give you half of the child support I get every two weeks. For awhile now, Alyssa has been getting the whole amount. She has an ATM card that's linked to my Credit Union account and every two weeks, she pulls out the entire amount but I think it's only fair you get half. I don't want it ever said that I'm getting child support and my kids don't even live with me, so let's get this settled asap. Let me know how you want to handle getting half and we'll make arrangements.

The love of my life!

Sounds like a scam to me, i mean wtf theres only a month left of child support anyway, now she wants to be all kind?

The love of my life!

I told her no thanks, give it all to alyssa like you've always had

The love of my life!

have*

alexandrtrvn

yea i cant believe she never gave you any!

alexandrtrvn

its for two kids not one

alexandrtrvn

bs!

alexandrtrvn

thats wat i think

The love of my life!

whats alyssa's number do you know?

alexandrtrvn

alexandrtrvn

or txt you?

alexandrtrvn

oh wait you delete it

The love of my life!

>.>

alexandrtrvn

The love of my life!

alexandrtrvn

The love of my life!

The love of my life!

alexandrtrvn

alexandrtrvn

he owns an oil company

The love of my life!

alexandrtrvn

its said that he was going to make a deal with bin laden idk.. ms.york talked about it

The love of my life!

The names of the alleged hijackers, all ostensibly Muslims, were released to the public only hours after the attacks, despite Mueller saying we had no knowledge this would happen.

The love of my life!

still read

The love of my life!

lol

The love of my life!

reading

alexandrtrvn

lol

The love of my life!

If he didn't know of a plan to strike buildings with planes, how would he know the names of the hijackers? Various artifacts were discovered in strategic places to try to confirm the government's story, but these have all been dismissed as suspicious planting of evidence. Since that time several names on that list have turned up alive and well, living in Arab countries. Yet no attempt has ever been made to update the list. And why were none of these names on the airlines' passenger lists?

alexandrtrvn

hmmm....

The love of my life!

oh yea another thing

alexandrtrvn

they just new too much in advance

The love of my life!

The love of my life!

oh yea and another thing

The love of my life!

The love of my life!

Idk what he said

The love of my life!

idk if it was the trade center or what

alexandrtrvn

im assuming the rich people...

The love of my life!

Why did so many people, from San Francisco Mayor Willie Brown to many employees of companies in the World Trade Center who failed to come to work that day, know in advance that something bad was going to happen on Sept. 11, 2001?

The love of my life!
